Re: Notice of Ex Parte Presentation, WC Docket No. 12-265

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules 47 C.F.R. § 1.1206, NTT DOCOMO INC. and DOCOMO USA, Inc. (together, "DOCOMO"), by its attorneys, hereby submit this letter summarizing an ex parte presentation in the above-referenced docket.

On April 9, 2013, Hajime Kii and Yuji Yamamoto of NTT DOCOMO INC., along with David Jeppsen and Memiko Otsuki of DOCOMO USA, Inc., met with Mindel de la Torre, Chief, International Bureau, as well as Troy Tanner and Anita Dey, also from the International Bureau.

DOCOMO briefed the International Bureau on its recent activities and on the close ties between the Japanese and U.S. government. DOCOMO also expressed concern about the above-captioned transaction, noting that the FCC's 180 day commitment for processing DOCOMO's pending acquisition of MCV Guam Holding Corp. ("MCV") had passed. DOCOMO stressed the need for rapid approval, as no petitions to deny were filed, Hart-Scott-Rodino ("H-S-R") approval already had been obtained, and no substantive issues have arisen at Team Telecom. Rather, the DOCOMO/MCV transaction is far simpler than others approved earlier (though filed later) or promised by the FCC Chairman to be granted within the shot clock. Thus, DOCOMO sought the FCC's assistance in speeding up the delayed grant of the transfer applications.
